

Where Children Discover the World
October 2011

Parents;

Here are the updates and information for October –

Book orders are due October 7th, 2011. Orders placed earn coupons for the center to put towards materials and supplies for the classrooms. Do not feel as if you have to participate, it is something that we enjoy offering families. ☺

The center will be closed on October 10th, 2011 for Thanksgiving.

Save the dates – November 2nd, 2011 is picture day, November 17th, 2011 will be ladies night!

We are still waiting on a number of family pictures for our family walls. If you can bring them in, that would be great. Also, if you have not passed along your child's Chinese name, or a name that you would like your child to have, please pass it along to your child's teachers.

The weather is starting to cool off, please have available appropriate outside clothes as we try to get out as much as possible. Also, a hat must be worn anytime we go outside.

If you have any paper towel or toilet paper towel rolls, could you bring them in so that we can use them for an art Activity with the Children. Also, if you have any other materials that you think we could use, feel free to bring them in! ☺ Plastic Bags are always useful.

We have two students from the NSCECE that will be helping out in the Jr. Pre-School Room. Jenny will be with us on Monday and Tuesday's, and Sarah will be with us on Thursday and Fridays until the end of November.

We will be having a children's only Halloween fun filled afternoon on Monday, October 31st, 2011. Please feel free to pack a costume in your child's bag to change into for the afternoon. ☺

At the end of the day the Coburg Road door is locked. Please come around to the Robie street door, through the playground. Staff cannot hear the bell all the time, and for the safety of the children, should not be running out of the rooms. Thanks!

Art work is being done in the Sr. Pre-school room but is being saved for the Children's portfolios. If you would like to see the art work anytime, let Ashley or Cathy know. ☺

If you have any questions/comments/concerns please come see me.

Regards;

Tanya Dalton
